

Appendix J

FAA- Maintenance Implementation Procedure (MIP) Supplement

Q1 Aviation Ltd.

7537 Kimbel Street

Mississauga, ON

Canada, L5S 1A7

TCCA AMO NUMBER 47-11

Compliance Statement/Procedure Certification

This Maintenance Policy Manual Supplement describes the procedures to be followed to meet the requirements of the Maintenance Implementation Procedure (MIP) between the Federal Aviation Agency (FAA) and Transport Canada Civil Aviation (TCCA) for the maintenance, preventative maintenance, or alterations of 14 CFR part 121 or 135 air carriers and US registered aircraft.

This Maintenance Implementation Procedure Supplement has been created for the use of Q1 Aviation personnel involved in the maintenance of US Registered Aircraft operated by American Air Carriers and their associated aeronautical products.

These Procedures are approved by the undersigned and must be adhered to as applicable when maintenance is performed under the conditions of the approved MIP supplement.
